There are many reasons consumers wish to access cash advances and be empowered to manage temporary cash flow issues. Following is a sampling of what Check 'n Go customers said about using a cash advance and their experience with Check 'n Go:

“At times, (a payday advance service) was **my only option** when I needed extra help at the moment. I know I’m not the only one that feels this way. Some people don’t have family or friends to turn to, and this is their reliable resource to help them out in a time of need.”

“Payday loan service has helped me to take care of obligations for which I did not have the money. Neither could I borrow the money I needed from friends or relatives. This **enables me to do what I need to do** when all other doors are closed.”

*Ann, Check 'n Go Customer*

“They (cash advances) have helped me through many, many ups and downs. If it weren’t for places like this, I don’t know what I’d do. Everyone needs a business like this **when they get into a pinch.**”

*Crystal, Check 'n Go Customer*

“My husband is **doing his dream job**. But for now it’s freelance, so his income can vary. My pay can’t always make it some weeks, so there are times when we need a little extra money. Check 'n Go has done that for us.”

*Aleka, Check 'n Go Customer*

“Payday loans are a good way to get out of a bind when you have bills and expenses sneak up on you between paydays, or when you are just plain short of **making ends meet.**”

*Jason, Check 'n Go Customer*

“I, like many others, absolutely abhor when unforeseen circumstances arise. However, it is wonderful to know that there is a place you can go to help **alleviate some of the stress** when cash is needed.”
