FINANCE CHARGE SCHEDULE

The APR calculation is based on a transaction with a 14-day term. Your APR may be different if your transaction term is not 14 days. The APR of your transaction will be disclosed in the federal Truth-In-Lending Statement contained in your contract. The Total Payments represents the amount of the check you will write us. For all transactions, the Finance Charge includes a \$1.35 database fee. The remainder of the Finance Charge represents our service fee. The extended payment plan fee is \$18.69 (applicable only if you invoke your EPP rights).
